

UNIVERSITE D'ABOMEY-CALAVI

The bodus Salam International Centre for Theoretical Physics
Institut de Mathématiques et de Sciences Physiques¹

Call for 2021-2022 PhD Applications

The *Institut de Mathématiques et de Sciences Physiques* of the University of Abomey-Calavi is calling for applications to its **2021-2022 PhD Training Programmes**.

The training programmes cover the following fields :

- Fundamental Mathematics and Applications
- Mathematical Physics
- Theoretical Physics
- Computer Sciences (options : information systems, networking and telecommunications, software engineering, management information systems, data science).
- Didactics of Sciences and Technology
- Statistics and Probability
- Operational Research

The applicant must hold a Master degree in the desired or related field.

Documents to be submitted are :

- letter of admission request to be addressed to IMSP Director and specifying the desired field;
- CV;
- Certified copies of the certificates and transcripts of the degrees including the **baccalaureate**;
- Names, surnames and contacts (address, e-mail and phone) of two references who have agreed to recommend the application;
- Evidence of English Proficiency (English Certificate, Certificate of registration at CEBELAE, TOEFL transcript, GRE transcript, etc.)
- Abstract of the master dissertation, certified by the supervisor;
- Detailed and precise PhD proposal with an Acceptance Declaration from the academic supervisor;
- Receipt of the deposit of **fifteen thousand (15,000) francs CFA** in the IMSP bank account:
BOA No. : 031 159 300 02 (IBAN : BJ66 BJ06 1030 0100 3115 9300 0204 ; SWIFT : AFRIBJBJXXX) as Application fee.

The documents must be submitted to IMSP Secretariat at Dangbo or sent by the **June 30th, 2020**

- either by e-mail : secretariat@imsp-uac.org (with copy to secretariat.particulier@imsp.uac.org)
- or by postal office : IMSP, B.P. 613 Porto-Novo, Bénin.

The tuition fees for PhD. Studies at IMSP are as follow:

Programme	PROVENANCE	REGISTRATION FEES (in F CFA)	TRAINING FEES (in F CFA)	LABORATORY FEES (in F CFA)	TOTAL OF TUITION FEES (in F CFA)
Computer Science	National	51 200	500 000	250 000	801 200
	ECOWAS	51 200	500 000	250 000	801 200
	Not ECOWAS	51 200	600 000	250 000	901 200
Statistics & Probability	National	51 200	400 000	150 000	601 200
	ECOWAS	51 200	400 000	150 000	601 200
	Not ECOWAS	51 200	550 000	150 000	751 200
Operations Research	National	51 200	300 000	150 000	501 200
	ECOWAS	51 200	300 000	150 000	501 200
	Not ECOWAS	51 200	500 000	150 000	701 200

Fundamental Mathematics and Applications	National	51 200	300 000	150 000	501 200
